	Autumn Camp 2026 Golden Trail Explorers	Winter Camp 2026 Arctic Explorers	Lunar New Year Camp 2027 The Great Wall Adventure	Spring Camp 2027 Garden of Life
	Step into a season of changing colours and outdoor discovery as children follow golden paths through nature and play. Throughout the week, children will observe seasonal changes through simple science investigations, learn about animals and their habitats, and explore light and shadow through hands-on experiments. Creative challenges invite children to build, design, and test nature-inspired projects, while songs, movement, and storytelling support collaboration and imagination. This STEAM-focused experience encourages curiosity, problem-solving, and a deeper connection to the natural world.	All aboard for a joyful winter journey filled with imagination, movement, and hands-on discovery. Throughout the week, children will explore festive traditions through creative play, build and design winter-themed projects, and engage in STEAM-inspired activities that spark curiosity and collaboration. From storytelling adventures to songs, games, and sensory experiences, this winter camp invites children to celebrate the season through creativity, kindness, and playful exploration.	Step into The Great Wall Adventure, where history, culture, and celebration come together in an exciting Lunar New Year journey. Throughout the week, children will explore Chinese traditions through hands-on experiences, from discovering zodiac stories and practicing grace and courtesy, to preparing simple festive snacks and creating vibrant lion dance props. The adventure concludes with a lively end-of-week parade, bringing everyone together in a joyful celebration of culture, connection, and community.	Step into a vibrant spring garden where children can slow down, explore, and notice the little things that make nature special. Throughout the week, children will care for plants, look closely at insects and small creatures, and create their own nature-inspired projects using what they discover around them. Through hands-on play, storytelling, and outdoor adventures, this camp invites children to follow their curiosity, build confidence, and experience the joy of being part of the natural world.
